

REMARKS

Claims 1-5 and 9 are currently pending. Claims 6-8 and 10 were withdrawn by the Examiner following a Restriction Requirement and have been cancelled. Applicants acknowledge with appreciation the withdrawal of the rejection under 35 U.S.C. § 102(b) of claims 1-5 and 9 on page 2 of the Office Action mailed May 12, 2009.

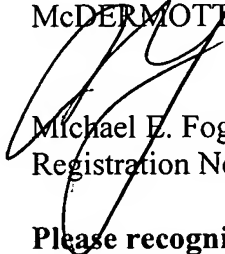

Claims 1-5 and 9 were rejected under the ground of nonstatutory obviousness-type double patenting over claims 1-5 of Ugaji U.S. Patent 7,514,181 ("Ugaji '181"). Although Applicants disagree with the rejection, a Terminal Disclaimer is being filed along with this response to overcome the rejection.

Accordingly, Applicants respectfully submit that the claims are allowable and therefore request that the application be allowed and passed to issue.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
